

COMSATS University Islamabad (CUI) Scholarships Opportunities in Graduate Programs for Students the Democratic Socialist Republic of Sri Lanka

COMSATS University Islamabad is a federally chartered public sector university which was established in 1998 as COMSATS Institute of Information Technology (CIIT) was granted chartered in 2000 and awarded university status in 2018.

COMSATS University Islamabad (CUI) has been providing the highest quality of education and conducting a variety of highly advanced research activities since the last many years. Its goal is to integrate international education into the University's academic programs, helping both domestic and foreign students to enhance their cross-cultural understanding, leadership expertise, and linguistic competencies to cope with the grand challenges of global world.

CUI prides itself in creating an internationalized experience on campus to promote global values and general knowledge. For this purpose, we have foreign scholars, lecture series by visiting international scholars, as well as regular visits by members of the diplomatic corps and our international partners. In addition, different CUI campuses are the chosen hosts for several annual international events that welcome over 1,500 international visitors each year.

International Students

International students are the central point of focus of CUI's internationalization policy and it welcomes international students from across the world. Some facts of International students are;

Ms. Azkiya Manal M. Hilmy (Sri Lankan): MS Bio-informatics

I chose to do my Masters at COMSATS University Islamabad (CUI), Pakistan because it is highly ranked in Pakistan. The campus is well-equipped having all materials and facilities (laboratories, students club, Gym and other facilities) available for the students. Moreover, the university has a very large library which has a huge database that provides all the materials required to help you with your studies. The CUI faculty is highly qualified in their fields. Since I joined CUI, I feel I am living one of the best days of my life which will remain unforgettable.

Mr. Abdul Hadi (Afghan): MS Software Engineering

CUI feels like my second home and the reason for selecting it as my study destination was that it is ranked number one in the field of Computer Science and is an overall highly ranked Pakistani university with standard research output, qualified lecturers in all discipline
